Your Art Inc Monthly Newsletter

April 23

Technique of the Month

Our technique of the month is quick marbling. We took a bowl of water. On the surface of the water we use the ruler to scratch the chalk pastels or street chalk leaving a dusty coating on the top. We then lowered the paper in and when we pulled it out, it created a marble effect.

Coronation Art

Young people expressed their creativity in this large shared art piece recognising the upcoming King's coronation.

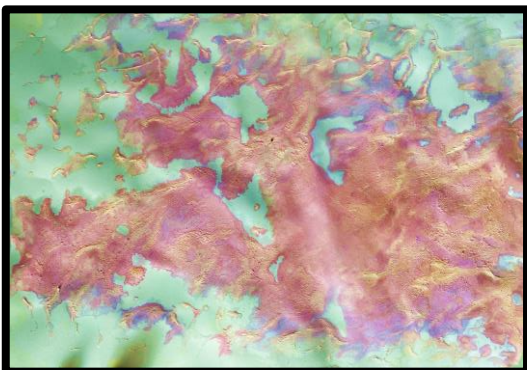

Concentration

Art work included in this month's newsletter was created by Aidan, Bianca, Caitlin, Chelsea, Noah, Archie, Reece, Ash, Daisy Rio, Thomas, Stevie, Bella, Charlie, Sophie, Charlie & Ford

Messy Art

Art work included in this month's newsletter was created by Aidan, Bianca, Caitlin, Chelsea, Noah, Archie, Reece, Ash, Daisy Rio, Thomas, Stevie, Bella, Charlie, Sophie, Charlie & Ford
