November 22

## TECHNIQUE OF THE MONTH

This month's featured technique is string painting. Dip the string in paint, let it drop on the paper in a squiggly line then drag it off the page. Beautiful!

November has been a busy month. We have had lots of new visitors who have thoroughly enjoyed the Art Inc experience. We have seen increased focus from our young people. We have been working on our bespoke learning activities. Based on the engagement of our young people we have delivered, collage, drip-painting, cartoons, ink-blots, sewing, abstract, watercolours and acrylics.

## FOOD

We provide breakfast for morning attendees. There is a choice of toast with, marmite, Nutella or Jam or cereal and milk. Don't forget lunchtime is now 12:30-13:30

## FIND US

Finding us on google is a lot easier now. Try it out
